

CHUO SOGO LPC

Where Trust Meets Expertise

 CHUO SOGO LPC

Greetings

From the time the firm established its first office in 1968, it has built a solid business foundation by faithfully responding to the diverse needs of its clients. We are confident that as a team of specialized lawyers we can render competent legal services in a broad range of legal fields by leveraging our expertise accumulated over many years as well as drawing on our long experience in resolving complex legal issues in and out of court. We have strengthened ties with law firms in foreign countries, and have become an active member of a worldwide network of overseas law firms. By taking advantage of such international cooperative systems, we can effectively take care of international issues clients may face. Our one-stop legal services are also supported by collaborations with domestic certified public accountants, certified tax accountants and patent attorneys.

Looking Forward

We are keenly aware of the roles and responsibilities of law firms in this age of change, and, rising to this challenge, we are in a position to provide clients with strong support by responding to their needs in an effectively efficient manner.
